Descrizione

EN

Highfield CL 310 aluminium RIB with capacity of 5+1. Perfect for family days out on the water and exploring. This RIB offers extra comfort from the double hulled deck. The high quality finish and luxury look belies the fact that this range of tenders has been designed to work hard. A durable aluminium hull coupled with full length keel guards make these ideal for those beach-hopping days with friends and family. The large weight savings achieved compared to equivalent GRP tenders means you'll enjoy impressive performance with smaller engines, and with excellent payload capacities, the Classic range really does offer a tender for everyone. The hulls of the Classics are built of 2.5mm thick powder coated marine grade aluminium. Valmex PVC tubes - 1100 DTEX coated fabric. Including rigging and fit out with battery. Design category C. NB - library photos may not reflect specification of boat.

Cockpit: Optional Equipment if required: FCT8 steering system, Carbon dash for FCT8 console, FRP Bow step, moulded bow cleat, transom storage box, Bimini, extra seat, bow cushion, boat cover.

Trailer: Morgan Marine can supply a suitable trailer or launching trolley - at extra cost. Please call 01206 302008 for options and prices.
