Highfield Classic 400 aluminium RIB with Honda BF40 LRTU outboard and capacity of 8. This RIB offers extra comfort from the double hulled deck. The high quality finish and luxury look belies the fact that this range of tenders has been designed to work hard. A durable aluminium hull coupled with full length keel guards make these ideal for those beach-hopping days with friends and family. The large weight savings achieved compared to equivalent GRP tenders means you'll enjoy impressive performance with smaller engines, and with excellent payload capacities, the Highfield Classic 400 really does offer a tender for everyone. 4mm thick powder coated marine grade aluminium. Valmex PVC tubes - 1100 DTEX coated fabric. Including rigging and fit out with battery. Design category C. NB - library photos may not reflect specification of boat.

Cockpit: FCT8 steering system with carbon dash for FCT8 console. Optional Equipment: Electrical pack for console, electrical pack for boat, roll bar, moulded bow cleat, transom storage box, Bimini, extra seat, boat cover. Option to have GT console.

Electronics: The FCT8 console package is a perfect addition the Classic 400 model giving you an additional level of comfort and enjoyability for your day on the water. The rear bench seat with high backrest and closed cell foam cushions which won't hold water, are perfect for a comfortable day exploring. The console helm is an open style design giving you unprecedented legroom in a boat of its size while, LED flush mounted switch panel, navigation lights and bilge pump are all included.
