We are delighted to present this superb 2013 Jeanneau Cap Camarat 8.5 WA “Bertie”, newly arrived at Morgan Marine and benefitting from a comprehensive overhaul in 2025, making her a fantastic turnkey opportunity for the season ahead. This stylish and versatile walkaround cruiser has been exceptionally well maintained and thoughtfully upgraded, combining performance, comfort, and practicality. In 2025, “Bertie” underwent significant works including a full hull cut and polish, fresh antifouling, and a complete engine service. She also features a newly upholstered front sundeck mattress cushions, enhancing relaxation space on board. The enclosed canopy, with removable sides and roof sections, offers excellent flexibility whether you want full protection or open-air boating. The onboard electronics have been upgraded to a high standard, including a Garmin 1223 XSV chartplotter, Garmin VHF radio, and Garmin fish finder with depth gauge, all new in 2025. Entertainment is provided by a Fusion audio system with DAB and four speakers, complemented by upgraded LED lighting throughout the boat. Additional onboard convenience comes from 240V sockets with USB and USB-C charging ports. Below deck, the boat offers a comfortable forward 2-berth cuddy cabin with cushions and a double berth conversion, ideal for overnight stays. There is also a separate heads compartment fitted with an electric flush toilet and shower, providing excellent practicality for extended trips. Powered by twin Honda BF225 outboards, “Bertie” delivers strong, reliable performance, while the bow thruster ensures easy handling and manoeuvrability in marinas and tight spaces. Having had just two owners from new, and originally supplied by Morgan Marine, this boat presents in excellent condition and is ready for immediate enjoyment. This is a rare opportunity to acquire a well-specified and recently upgraded Cap Camarat 8.5 WA. Contact Morgan Marine today to arrange a viewing or to find out more.
