Cap Camarat 9 WA for Sale
Inspired by the larger Cap Camarat 10.5 WA and 12.5 WA models, this new Series 2 version offers elegant lines, superb performance (in excess of 40 knots!), and a layout that's made for laid-back living. The innovative side terrace opens out the cockpit for more space and easy access to the water, while the aft bench quickly transforms into a vast sunbed. Up front, the redesigned bow area features triple sun loungers - the perfect place to unwind with a view. Below deck, you'll find two comfortable cabins (four berths), a compact galley with hot water, and a bright, modern heads compartment with a fresh-water electric flush toilet and shower. CE category B for 6 and C for 10.

This 2024 model year Jeanneau Cap Camarat 9.0 WA Series 2 is in stock now at Morgan Marine, Brightlingsea, and available to view 7 days a week. Delivered fully commissioned, antifouled and ready to go, complete with handover, name set and full PDI.
