Introducing one of the highest-spec Jeanneau Merry Fisher 1095 models available in the UK this Merry Fisher 1095 even has a gyro stabiliser system! This exceptional vessel is powered by the highly reliable and powerful twin Honda BF250 outboards with only 80 hours, propelling her in to in excess of 36 knots featuring Drive-by-Wire technology and hydro-electric steering for a seamless, responsive experience on the water hitting a top speed of circa 35 knots. At an original RRP of over £340,000 this 1095 offers brilliant value for money. She has been beautifully cared for with many of the cushions, mattresses and tables still in original wrapping, she really is like new. This boat comes fully equipped with an impressive range of premium upgrades over and above the normal factory offering, making her a true one-off - including: Garmin GPS MAP 1223 xsv plotter, Garmin autopilot, Garmin Radar, Garmin stern camera integrated to plotter, Quick Gyro stabiliser, Fusion audio, Diesel forced heating, bow thruster, enclosed canopy set, Synthetic teak decking, shore power, Copper coated hull, Fell man overboard system with 4x fobs and so much more! This 2024 Jeanneau Merry Fisher 1095 truly stands out with its top-of-the-line specifications, ensuring a fantastic and worry-free experience on the water. Don't miss the opportunity to own this extraordinary boat further complimented by the balance of the manufactures warranties of circa 4 years on the engines and circa 8 on the hull structure! Contact Morgan Marine today for early viewing!
