Description

EN
Purpose-built weekend boat and long-distance cruiser focusing on functional design. Explore the Nimbus 365 Coupé: a versatile long-distance cruising yacht, perfect for families or experienced boaters, featuring smart design, ample living space, and outstanding fuel efficiency for extended trips. Interior finished in beautiful dark mahogany - plus a saving of over £55,000 on the RRP. The boat has been designed to be lightweight and reduce environmental impact with a single fuel efficient Volvo engine. CE category B for 8. This 2025 model year Nimbus 365 Coupe is on order with the factory and will arrive at Morgan Marine soon. Note - library photos may not reflect specification of boat.

Cabin: Forward cabin with wardrobe. Aft cabin with wardrobe. Separate toilet compartment with electric flush toilet, sink and shower. U-shape saloon sofa converts to extra double berth. Carpet and curtains in cabins.

Cockpit: Large wheelhouse with laminated windows, large arched windscreen (with wiper + screen wash + defroster), starboard sliding door and port side opening window. Great visibility from the helm position and saloon + extra large glass roof and two large sunroofs (with blinds) for more natural light. Safety glass windows (glued in to minimise noise). Reversible passenger sofa - converts to form U-shape seating at saloon table on port side. Matte surfaces are easier to clean and help to minimise reflections. Starboard side galley with sink. Ergonomic helm seat (for sitting or standing) - folds for more space around galley. Dash with instrument panel, compass, electronics and cup holder.

Electronics: Volvo Penta trip computer + depth / log. ChargeMaster 12/35A - shore power and battery charger + 12v outlet. LED lighting creates a cosy interior. LED courtesy lights on deck. Electrical panel with fuses. Navigation lights.

Machinery: Volvo Penta D6-440. Trim tabs. Twin rudders for better manoeuvrability. Quick BTQ180-55 stern thruster and bow thruster. Eberspächer D6 heater & defroster. Isotemp Spa 20L hot water system. Fuel capacity 700L. Water capacity: 270L. Hot water capacity: 20L. Waste capacity: 120L with electric pump out. Seafire automatic fire-fighting system. Manual and electric bilge pump.
